

Wilkesboro United Methodist Church

Hello Church family,

I hope you have had a wonderful week filled with God's blessings and the opportunity to share those blessings with others.

This weekend we are excited to jump into the Gospel of Matthew during our [LiveStream Worship](#) as we explore chapter 14 and the story of Peter walking on water: *What can you do with a little bit of faith?* You can join us on [Facebook](#) at 11am or tune in to the video after 1pm on [YouTube](#).

Before worship you can join us on Zoom for Sunday School class with Jan Taylor, please contact the church office to obtain the direct meeting link or the specific phone number for calling in to participate.

For prayer this week, I ask that you keep three church members that are home now recovering in your prayers, plus one anonymous request for healing.

The church member who had a fall recently is in need of a ride to Baptist Hospital on August 20th. He has an appointment at 1pm for follow-up tests. If you can help, please contact the church office.

Also, please remember our teachers, staff, and students who will be returning to school soon. Jane Joines has asked that we especially pray for Moravian Falls Elementary School at 3pm on Sunday, August 16th. Normally we meet and pray at the school, however with COVID they are asking folks to [Pray Where You Are](#) together at 3pm that day. If you wish to go to the school to pray you may still do so, although there will be no formal gathering.

Thanks everyone,
Pastor Karen
