

Wilkesboro United Methodist Church

WUMC Monday Updates & Links on Tuesday

Good Monday Morning Church family,

I pray you are healthy, in body and spirit, as you begin this new week.

As we prepare for the week ahead I would ask for your prayers for a church member and her family as her father passed away on Saturday. May God comfort them as they mourn.

I also ask for your prayers for Thursday evening as we have our first meeting with students at Wilkes Community College about interest in beginning a Campus Ministry there. Pray that God opens the door for leaders and opportunity.

Just a reminder that Wednesday Night Bible study is taking a break after our journey through Exodus. We will resume at the end of the month.

Also, if you haven't had a chance to check out Sunday's service you can [click here and view the service on YouTube](#) or you can find the sermon attached to this email.

Be mindful to count your blessing and offer gratitude to God in the week ahead,

Peace,

Pastor Karen
