

Wilkesboro United Methodist Church

Hi Church Family,

My prayers are with you for a week of peace and blessing as we continue to show our love and care for one another through our prayers, phone calls, and cards.

As you hold one another in prayer please remember a church member and her family for the loss of her mother. Our heart and sympathies are with the family.

Also remember that there is no Wednesday Bible Study this month. We will resume the first Wednesday of October.

If you missed worship this weekend, don't forget you can watch the video on [Facebook](#) or on [YouTube](#). You can also read the attached sermon.

Have a blessed day,
Pastor Karen
