GUARDIAN AD LITEM NEW VOLUNTEER ADVOCATE

FALL 2018 TRAINING

What would you do if you were aware of an abused or neglected child in your hometown?

If you would speak up for the child, you might consider volunteering as a Guardian ad Litem in advocating for them in court. A Guardian ad Litem is court appointed to work with an attorney to advocate for a child's best interest in court while they go through the foster care system.
